

# Registered Traveler Program FLO Card Enrollment Process

## Step 1: Pre-Enrollment

Start the online pre-enrollment process by clicking on the Enroll Now button on [flocard.com](http://flocard.com).

(FLO enrollments are powered by rtGO, FLO's TSA-approved enrollment technology)

During pre-enrollment, FLO will gather your biographical information that is needed for you to receive government approval to become a Registered Traveler cardholder. It is recommended for you to complete this online process beforehand in your own time to help expedite the in-person enrollment process.

The online pre-enrollment should take less than 10 minutes to finish.

## Step 3: FLO Card

Once accepted, you will receive a welcome email to the Registered Traveler program . Your FLO Card will be mailed to you approximately 2-3 weeks later.

Your FLO Card is ready to be used and will automatically be activated the first time you use it at any TSA approved Registered Traveler airport kiosk.

## Step 2: In-Person Enrollment

Visit an FLO Enrollment Center to complete your in-person enrollment. At this time, be sure to bring at least 2 forms of government-issued photo identification documents with you to the in-person enrollment center. (**Required Documents**)

During this time, FLO representatives will verify and scan your identification documents into the system, process your

fingerprints and iris scans for authentication and security purposes, and your photograph will be taken for inclusion in the record and use on your membership card.

The in-person enrollment process should take less than 10 minutes to complete.
